

Florida Organics Recycling Center for Excellence

School Food Waste Reduction

Website Update 2018

What is FORCE?

The mission of FORCE is to provide a framework to promote organics recycling and serve as clearinghouse of information in a statewide effort to streamline compost processing, research, demonstration, marketing, and education information in Florida. FORCE is Florida's organics recycling comprehensive webpage funded by the Florida Department of Environmental Protection (FDEP). The website is managed by Kessler Consulting, Inc.
