FLORIDA ORGANICS RECYCLING CENTER for EXCELLENCE

The Florida Organics Recycling Center for Excellence (FORCE) is the Florida Department of Environmental Protection's organics recycling project managed by Kessler Consulting, Inc.

The legislatively funded project provides a framework to promote organics recycling and research in an effort to streamline compost processing, research, demonstration, marketing, and education across the state of Florida.

The FORCE website is a clearinghouse of information available for use by Florida's organics recycling sectors:

1. Feedstock Generators
2. Collectors/Haulers
3. Processing Facilities
4. End-user Markets
